

Dear Darius Bork,

As Istanbul Municipality Theater, we would like to invite Jari Juutinen, Teemu Nurmelin and Ville MJ Hyvönen for a series of workshops in Istanbul, in spring 2025.

We strongly believe that the workshops will be offering new insights both artistically and technically to the Istanbul theater community and will be part of a creative dialogue as indicated in your letter of intent.

Best regards,

Ayşegül İşsever
General Artistic Director
